Subject: ISACA: Chapter Communication Award

Dear Renato,

As you are aware, the ISACA International Chapter Support Committee (CSC) launched the Communications Award in 2013 to recognize chapters who planned and executed stellar communication with their constituents. In addition to the Communication Excellence Award, the CSC is also commending chapters who did not receive the excellence award, but who proved to have an outstanding communication plan.

On behalf of ISACA's Chapter Support Committee, I am pleased to inform you that the Slovenia Chapter is receiving a Communications Commendation for 2013!

As a Commendation recipient, your chapter will be:

- Listed on the Award page on the Chapter Leader Portal;
- Mentioned in *ExpressLine*;
- Provided with an electronic seal (attached) to post on your chapter web site (please feel free to resize as appropriate); and
- Recognized in front of your peers at the 2014 Global Leadership Conference.

I am sharing comments with each chapter from the committee members who judged the respective submission forms and plans. The only comment for your chapter communication entry was:

Comment: Quantify their KPI, so they will know if they are reaching their goals or not. And resubmit for 2014, when they have completed the plan execution.

Again, congratulations on a job very well done by your chapter and your members who, no doubt, contributed significantly to this achievement.

Summer Cole
