Subject: ISACA web site award - GOLD

Dear Boža ,

On behalf of the ISACA International Chapter Support Committee, I am pleased to extend our congratulations to the Slovenia Chapter for having an outstanding web site! Your chapter has been awarded a gold-level award. You should be very proud of the hard work your chapter put forth in the design, content and management of your chapter web site to earn this recognition.

Attached to this message is the 2011 ISACA gold web site seal, denoting your outstanding chapter web site. We encourage you to post this on your web page so the news can be shared with all members of your chapter. I have also attached your chapter's scorecard so you can see how your website was scored.

Every year, the Chapter Support Committee reviews all of the chapter web sites that link from the ISACA International web site (www.isaca.org/chapters). A list of all 2011 winners, can be found on the chapter awards page (www.isaca.org/websiteawards).

Please accept our congratulations on a job well done by you and your chapter board.

Best regards,

Summer R. Cole
